Missing Information:

ATTENDANCE RECORDS

If a student's attendance record is non-existent or not available, the student will be awarded 20 points out of a total of 40 for the attendance component.

CORE SUBJECT GRADES

If eighth-grade core subject grades are missing or not available, we will use the grades from the seventh grade to make a ranking determination. If no grades are available, six points will be awarded in each core subject area.

MISSING NYS ELA & MATH TEST SCORES

If the eighth-grade exam scores are not available, we will use the scores from the seventh grade to make a ranking determination. If exam scores are not available or are older than two years, 5 points for ELA and 5 points for mathematics will be awarded.
